Summary of Changes

The City of Mesa desires to include preferences for the following individuals within its Five-Year Consolidated Plan FY 2010-14: 1) Persons with disabilities as defined by US Department of Housing and Urban Development for the Community Planning and Development (CPD) program grants; 2) The Elderly (62-74) and the Frail Elderly (≥ 75); 3) Homeless Persons as defined by US Department of Housing and Urban Development for the Community Planning and Development (CPD) program grants; and 4) Professionals per federal regulation changes (Examples: Teachers & Artists). Currently three of the groups are identified as high priorities within the current Plan. By specifying them as preferences, the City of Mesa will have enhanced flexibility to meet the housing needs of these vulnerable and at-risk groups.
